## AUGUST 2022

## AUGUST IS SCSEP'S ANNUAL RECERTIFICATION MONTH

Notices have been sent to all SCSEP participants detailing the date, time and location of his/her recertification appointment, as well as documents that must be submitted PRIOR to the appointment.

Recertification is mandatory for all participants. If there is a conflict with the appointment time or questions regarding documentation to be submitted, participants should contact the SCSEP office immediately.

Culverhouse  
School of Accountancy  
LIFT

**FREE training offered through the University of Alabama LIFT program.**

Classes include computer skills (beginner to advanced), smart phone skills and professional development. Classes begin in September and run for 8 weeks. Participants will be assigned a University student as a personal tutor for the class. All classes are 75 minutes long and run for 8 weeks. Participants in the adult classes receive certification from The University of Alabama LIFT program upon completion of the 8-week course. If interested, or to get additional information please contact the SCSEP office no later than August 30th.
