Recertifications

August 2023

With it being the new year, many participants are starting to receive 2023 Social Security Award Letters and other important documents via mail.

Each year, we have a recertification period with each jobseeker and will need this updated information. Please make sure you store it in a safe place so that you will have it available for your recertification appointment.

Initial Employment Plan (IEP)

Each SCSEP participant has an IEP.

This plan contains time sensitive action-steps to help participants meet their goals. Are you familiar with your (or your assigned participant's) IEP goals? If not, you should be. Contact the SCSEP office for a copy of a personalized, current IEP!
