Grow what matters
One step
At a time.
Little by little, your
Steps will add up.

With the New Year comes resolutions, expectations, and hopes for the year that lies ahead. For SCSEP, the goal remains the same, which is to help participants find employment off of the program. Each SCSEP participant is expected to complete the following to help them reach this goal:

- **Register at the local Career Center**
- **Update resume and references to include time on SCSEP**
- **Network: make sure host agency supervisor and staff, family, friends, etc. know about the employment goal so they can be a support system**

SCSEP is not considered employment, but a temporary job training program to help participants gain the skills and experience needed to secure employment.

COVID -19 VACCINES FOR PEOPLE WITH MEDICARE

WHAT DOES IT COST?

YOU PAY NOTHING FOR THE VACCINE!

WHERE DO I GET IT?

COVID-19 VACCINES ARE AVAILABLE AT PHARMACIES, CLINICS, DOCTORS' OFFICES, HOSPITALS, OR EVEN IN THE HOME. FIND A VACCINE NEAR YOU AT WWW.VACCINES.GOV.

WHAT DO I BRING?

BRING YOUR RED, WHITE, AND BLUE MEDICARE CARD TO YOUR APPOINTMENT, EVEN IF YOU HAVE A MEDICARE ADVANTAGE PLAN. OTHERWISE, YOU MAY BE ASKED FOR YOUR SOCIAL SECURITY NUMBER TO VERIFY YOU'RE ON MEDICARE.

I'M ALREADY VACCINATED. DO I NEED A BOOSTER?

IF YOU ARE AGE 65 AND OLDER OR HAVE CERTAIN HEALTH RISKS, A BOOSTER MAY BE RECOMMENDED. SPEAK WITH YOUR DOCTOR TO LEARN MORE.

Undecided? Older adults are highly at risk from COVID-19. Over 80% of Americans 65 and older are vaccinated, but it could be lower where you live. Learn more about the vaccine at www.cdc.gov/coronavirus.

Need help with Medicare? Get unbiased local help from your State Health Insurance Assistance Program (SHIP). Call 877-839-2675 or find them at www.shiphelp.org.
